Kay Reissue Barney Kessel Gold "K" Signature Series Jazz Special K8700V - Natural Blonde

My Kay Reissue Barney Kessel Jazz Special arrived this morning and I am very, very pleased. The guitar is absolutely beautiful and the folks at Kay Vintage Reissue, LLC set the guitar up so that it plays fantastic right out of the box. The guitar is a great tribute to the golden era of Kay... and it was like playing an old friend. Not only is the guitar cool... but the two tone Kay case is classic vintage.... and makes the deal all that much sweeter. This guitar is the real deal...

Kay Reissue Barney Kessel Gold "K" Signature Series Pro K1700V - Jet Black

The guitar arrived Friday in perfect condition and nicely set-up. I've only been able to put in about 20 minutes in on it, but I'm struck by how light and lively it is. I don't know if I had ever mentioned that I also have an Airline Tuxedo reproduction. When my daughter saw the two side by side, she said, "the Airline looks kinda budget-y, now." I know these Kay's aren't for everyone, but I love them and I try to tell everyone how I feel that no one else puts out as much guitar for the money.

Kay Reissue Barney Kessel Gold "K" Signature Series Jazz Special K8700V - Tobacco Sunburst

Just a note to say how happy I am with the guitar. It is extremely well built and faithful to the original. I put a new melita bridge on to match the original 1950s models and it looks fantastic. Great job and well worth the wait. Let me know when it is available in blonde as I may pick up another just for fun.

Thanks,
Chuck

I just received the Guitar and am Very Happy with it, I had a Chance to buy one of these 10 years ago from a 90 year old woman in New Jersey.. Her Husband had purchased it New in 1958.. She wanted \$2100 for it if I remember correctly.. Am Glad Now I never completed the Deal... New is always Better in my Book.. Going to still Buy a tobacco burst Version once I get to know this one a little Better, THANK YOU!!
